Raphael Stuhlmeier

Contact Information

School of Engineering, Computing & Mathematics
Plymouth University
Drake Circus
PL4 8AA Plymouth, UK
Website: rstuhlmeier.github.io
Email: raphael.stuhlmeier@plymouth.ac.uk

Employment

Lecturer (equiv. Assistant Professor) in Applied Mathematics
2017 – present
Plymouth University – School of Engineering, Computing & Mathematics

Visiting Senior Lecturer
2023–2024
Technion – Department of Civil & Environmental Engineering
Division of Environmental, Water & Agricultural Engineering

Postdoctoral Fellow
2014 – 2017
Technion – Department of Civil & Environmental Engineering
Division of Environmental, Water & Agricultural Engineering

Research Assistant
2011-2014
University of Vienna – Faculty of Mathematics

Education

Postgraduate Certificate in Academic Practice
Plymouth University, UK
Sept. 2017 – Mar. 2019

Doctoral Studies in Mathematics (Dr. rer. nat.)
2010 - 2014
University of Vienna, Vienna, Austria
Thesis: "Some investigations of nonlinear water waves with vorticity:
exact and approximate theories".
Advisor: Prof. Adrian Constantin

Diploma Studies in Mathematics (Mag. rer. nat.)
2005 - 2010
University of Vienna, Vienna, Austria
Thesis: "On surface water waves and tsunami propagation"
Advisor: Prof. Adrian Constantin

PUBLICATIONS

Scholarships & Grants

EPSRC Impact Accelerator Award (PI
University of Plymouth
£1,986, May 2024

Heilbronn Small Grants Scheme (PI)
Heilbronn Institute for Mathematical Research
£2,000, November 2023

ICMS Research in Groups Award (PI)
International Centre for Mathematical Sciences, Edinburgh
Project: *Planar dynamics in resonant water wave interactions*
£5,300, November 2023

IMA QJMAM Fund Award (PI)
Institute for Mathematics & Its Applications
£1,000, October 2023

LMS Conference Grant (PI)
London Mathematical Society
£2,800, October 2023

UK-Israel Mobility Grant (PI)
Universities UK International
Ocean surface waves and maritime infrastructure
£18,700, 2023-2024

EPSRC New Investigator Award (PI)
Engineering & Physical Sciences Research Council
EP/V012770/1 – *Stochastic wave modelling for inhomogeneous sea-states*
£208,000, 2021–2023

IMA QJMAM Fund Award (PI)
Institute of mathematics & its applications
£1,100, April 2021

LMS Celebrating New Appointments Grant (PI)
London Mathematical Society
£585, March 2019

IMA Small Grant (PI)
Institute of mathematics & its applications
£300, June 2018

Lady Davis Postdoctoral Fellowship
Technion – Faculty of Civil & Environmental Engineering
£28,000, September 2014 – September 2015

Performance Scholarship ("Leistungsstipendium")
University of Vienna
£600, 2010

Invited conference presentations marked "Invited speaker"

Joint Mathematics Meeting
AMS Special Session: Approximate Models of Fluid Motion
8–11 January 2025, Seattle, WA, USA
(Invited speaker)

Nonlinear Water Waves: Rigorous Analysis and Scientific Computing
27 October–1 November 2024, Banff International Research Station, Canada
(Invited speaker)

WISE Zoominar
19 September 2024 (online)
(Invited speaker)

British Applied Mathematics Colloquium
Minisyposium: Thin films and interfacial fluid mechanics with applications
9–11 May 2024, University of Newcastle, UK
(Invited minisymposium speaker)

Applied & Interdisciplinary Mathematics Seminar
27 February 2024, University of Bath, UK

Extreme Waves – EXTREM23
28 August – 1 September 2023, Max Planck Institute for the Physics of Complex Systems, Dresden, Germany

Waves and Free Surface Flows: the Next Twenty Years
15-19 May, 2023, International Centre for Mathematical Sciences, Edinburgh, UK
(Invited speaker)

Nonlinear Dispersive Waves
24–25 April, 2023, University College Cork
(Invited speaker)

British Applied Mathematics Colloquium
Minisymposium: Advances in water waves and free-surface flows
3–5 April, 2023, UWE Bristol and University of Bristol, UK
(Invited minisymposium speaker)

Isaac Newton Institute Workshop
HY2W05 Dispersive Hydrodynamics: Physical Applications
5–9 December 2022, University of Cambridge
(Invited speaker)

British Applied Mathematics Colloquium
Minisymposium: Nonlinear surface and internal waves
11-13 April, 2022, University of Loughborough
(Invited minisymposium speaker)

Fluid Dynamics Seminar
9 April, 2022, Imperial College London

XXIII International Symposium of Mathematical Methods Applied to Sciences
21-25 February, 2022, University of Costa Rica
(Invited speaker)

Applied Mathematics Seminar
14 February, 2022, University of East Anglia

UK Fluids Conference
8–10 September, 2021, University of Southampton (online)

Leeds Fluid Dynamics Symposium
16–17 June, 2021, University of Leeds (online)

Waves and Flows Meeting
28 May, 2021, University of Oxford, UK (online)
(Invited speaker)

British Applied Mathematics Colloquium
6 April, 2021, University of Glasgow, UK (online)

Fluid Dynamics Seminar
March 11, 2020, University of Warwick, UK.

Department Seminar
December 25, 2019, Faculty of Civil & Environmental Engineering, Technion, Israel.

Department Seminar
April 8, 2019, Faculty of Engineering, Tel Aviv University, Israel.

Mathematics Seminar
March 11, 2019, University of Dundee, Scotland

Applied Mathematics Seminar
January 17, 2019, UCC, Cork, Ireland

Applied Mathematics Seminar
December 27, 2018, Tel Aviv University, Israel

Applied PDE Seminar
December 6, 2018, University of Washington, Seattle, USA

Applied Mathematics Seminar
October 21, 2018, University of East Anglia, UK

Society for Underwater Technology - Environmental Forces Meeting
May 24, 2018, University of Oxford, UK
(Invited speaker)

British Applied Mathematics Colloquium
March 26–29, 2018, University of St. Andrews, UK

Applied Mathematics Seminar
January 30, 2018, Cardiff University, UK

Nonlinear Water Waves: An Interdisciplinary Interface

December 4-7, 2017, Erwin Schrödinger Institute, Vienna, Austria
(Invited speaker)

COAST Seminar
28 November, 2017, Plymouth University, UK

Applied Mathematics Seminar
1 November, 2017, Plymouth University, UK

Symposium "Mathematics, waves and geophysical flow"
December 15–16, 2016, University of Bremen, Germany

2016 Burgers Research School on Fluid Dynamics
June 6 – 10, 2016, University of Maryland, College Park, MD, USA

Department Seminar
May 16, 2016, School of Mechanical Engineering, Tel Aviv University, Israel

Department Seminar
February 11, 2016, School of Mathematical Sciences, UCC, Cork, Ireland

Water Wave Dynamics
June 1–5, 2015, Faculty of Mathematics, Vienna, Austria
(Invited speaker)

Department Seminar
March 3, 2015, Faculty of Civil & Environmental Engineering
Technion – Israel Institute of Technology, Haifa, Israel

Seminar – Waseda Lab
November 25, 2014, Department of Ocean Technology, Policy and Environment
University of Tokyo, Japan

Mathematical Colloquium
October 16, 2013, Department of Mathematics, University of Linköping, Sweden

CIME Course "Nonlinear Water Waves"
June 24–28, 2013, Centro Internazionale Matematico Estivo, Cetraro, Italy

Solitons in Two-Dimensional Water Waves and Applications to Tsunami
NSF/CBMS Regional Conference in the Mathematical Sciences
May 20–24, 2013, The University of Texas - Pan American

Mathematical Aspects of Water Waves
March 15–17, 2012, King's College London, UK

IMA Conference on Nonlinearity and Coherent Structures
July 6–8, 2011, University of Reading, UK

European Geosciences Union General Assembly 2011
April 3–8, 2011, Vienna, Austria
Ocean Sciences 2.1 – Open Session on Coastal and Shelf Seas

Second Summer School on Analysis – *Spectral Theory and PDE*
September 13–17, 2010, Leibniz Universität Hannover, Germany

European Geosciences Union General Assembly 2010
May 2–7, 2010, Vienna, Austria
Ocean Sciences 21 – Recent developments in tsunami modeling and forecasting

Programme Manager for Transnational Education (25% FTE)
2021–2024, University of Plymouth, UK
Responsibility for management, development and operation of international partner programmes throughout in Engineering, Computing & Mathematics with NSBM (Sri Lanka), Peninsula College (Malaysia) and HKU SPACE (Hong Kong).

Conference organization:
Water Waves - Mathematical Theory and Applications 2024
Plymouth University – August 28–30, 2024
(*Sole organiser. Funded by grants from the HIMR, LMS, IMA.*)

Water Waves - Mathematical Theory and Applications 2022
Plymouth University – September 8–9, 2022
(*Sole organiser. Funded by a grant from EPSRC.*)

Water Waves - Mathematical Theory and Applications

Plymouth University – September 5–6, 2019
(*Sole organiser. Funded by a grant from LMS.*)

Seminar organization:
Plymouth University – Centre for Mathematical Sciences
Applied Mathematics Seminar (Co-organizer, 2018-present)

TAU-Technion Water Waves Seminar (Organizer and initiator, 2015-2016)
Jointly with School of Mechanical Engineering, Tel-Aviv University.

Grant reviewer:
EPSRC, UK (Member of EPSRC Peer Review College)
Erwin Schrödinger Institute for Mathematics & Physics, Vienna, Austria

Reviewer for academic journals:
Applied Mechanics Reviews
Applied Ocean Research
Deep–Sea Research Part II
Dynamics of Atmospheres and Oceans
European Journal of Mechanics – B
Fluids
Journal of Engineering Mathematics
Journal of Fluid Mechanics
Journal of Geophysical Research: Oceans
Journal of Marine Science and Engineering
Journal of Mathematical Physics
Journal of Mathematical Fluid Mechanics
